## Welcome to Talent Academy – Sotogrande Camps

Located in the south of Spain, in the most exclusive resort, Talent Academy – Sotogrande Camps is the ideal place to learn and live an unforgettable experience.

Our more than 15 years of experience, the content and methodology of our bilingual programs and the recognized prestige of the institutions and professionals we work with, support us as leaders in the ranking of International Camps in Spain.

## MUCH MORE THAN A SUMMER CAMP

Always in constant innovation designing unique programs, essential nowadays, for children and teenagers.

Our courses are carefully designed to stand out for their content and their exclusivity, for boarding and day students of different ages, nationalities, varying abilities, interests and knowledge.

THE BEST  
SPORTS, LANGUAGE  
AND TRAINING PROGRAMS

## WHAT SETS US APART

We bring the full breadth of our experience to bear for all our programs to achieve a common objective:

**students enjoying an unforgettable experience as they acquire vital knowledge while practicing sports and language in an effective and different way.**

**The best selection and combination of contents,** useful and necessary for their physical, personal and social development.

**For all ages** because each age is different: physically, mentally, emotionally.

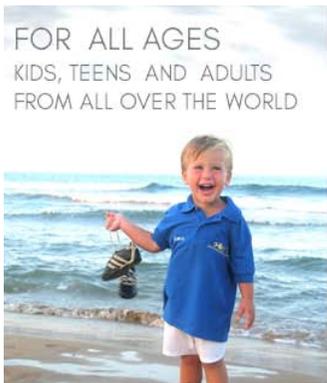

**International & Cultural experience,** a unique opportunity to learn and practice another language, and experience an international atmosphere featuring participation by young people of different nationalities.

**Intensive and specialized programs** with immediate results where young teenagers can also gain experiences that improve their CVs and university applications.

**Attentive and personalised attention** assuring constant supervision and attention.

**A safe and exclusive setting** with first-rate facilities, close to the beach and surrounded by nature.

FOR ALL AGES  
KIDS, TEENS AND ADULTS  
FROM ALL OVER THE WORLD

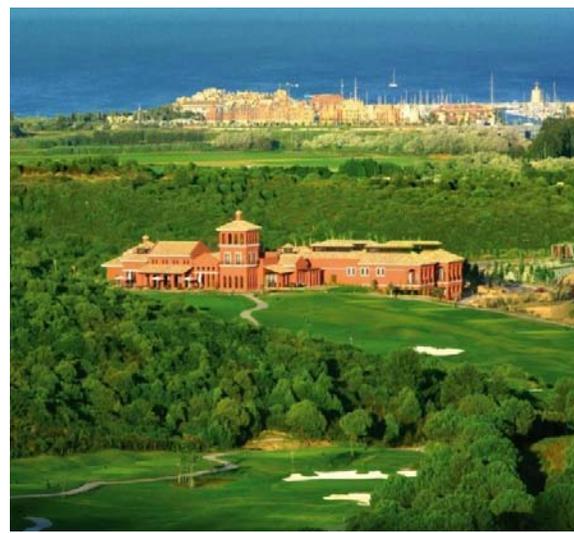

## LOCATION

NESTLED IN THE HILLS OF SOUTHERN SPAIN ,  
THE BEST WEATHER AND EXCLUSIVE FACILITIES

The camp's facilities are located in the most prestigious residential area in Spain. Sotogrande is the largest privately owned residential development in Andalusia.

The complex is widely considered one of Europe's premier resorts, boasting first-rate infrastructures and facilities for the organization and execution of all our sports, entertainment and maritime activities.

This privileged and internationally renowned setting, is notable and famous for its golf courses, sports facilities, beach clubs, marina, polo fields...

## UNIQUELY POSITIONED AS THE PERFECT PLACE FOR A SUMMER CAMP.

Nestled in a perfect natural landscape environment, our private property and country house at Sotogrande - Cortijo La Alcaidesa, has an impressive surface of 1,500 hectares of natural habitat .

Surrounded by nature, in the heart of Sotogrande and in accord with the traditional style of American camps. students are lodged at a typical Spanish Villa and in independent buildings and wooden cabins.

- 1,500 hectares of natural habitat
- 7 suites
- 9 wooden cabins for 8/10 pupils , with two private bathrooms each
- 3 classrooms
- Dining room, Sitting room, terraces
- Swimming pool and changing rooms
- Cleaning Service daily
- Meals: Breakfast, Buffett Lunch, Snack, Dinner  
*Special dietary* needs available (allergies, intolerances or health condition, religious, etc).

## OUR PROGRAMMES

SPECIALIZED PROGRAMS FOR  
KIDS, TEENAGERS & ADULTS.

All our programs have been carefully designed to stand out, for their content, objectives and exclusivity, for boarding or day students of different ages, abilities, interests and knowledge levels.

### SPORTS

Intensive sports courses and first class facilities for beginner, intermediate and advanced level.

Golf - Horse Riding - Water Sports - Tennis -  
Padel Tennis - Football - Rugby - Fitness/  
Dance

### LANGUAGE PROGRAMS

(Spanish & English Programs)

Learning languages through action. With our methodology they will learn new contents and skills, essential to their personal and social development, as they acquire new vocabulary and absorb expressions in another language.

## SPORTS

Sports are a great way for children to enjoy getting much needed exercise, they can teach children valuable life skills also needed to be successful in life.

The Sport Program has the intensity of an annual program adapted to shorter weekly periods. Students will concentrate on the same sport or one sport every week, enabling them to make large strides in a short time, unlike the case with a multi-sport program.

Students may choose one of the following sports during their whole stay or one sport every week:

- Golf
- Horse Riding
- Football (by Real Madrid FC)
- Water Sports
- Tennis
- Paddle
- Rugby
- Dance - Fitness - Spanish Dancing

- ❖ Daily Sports (2:30 hrs: 10:00 - 12:30 )
- ❖ Students will enroll in this course at different levels according to their level and their age.

# GOLF

## A UNIQUE SETTING FOR GOLFERS

Appt for both professionals and amateurs, Sotogrande has captivating courses such as Almenara Golf Club, (27 holes and up to three different 18-hole routes, course designed by Dave Thomas).

Accompanied by our Course Director and his team's professionals, students will practice and play at the Golf Academy, whilst they work on or perfect their swings (long, short, bunker, and putt):

- 3 practice holes, 40 hitting mats, Grass hitting area, Chipping green, Sand bunker, Putting green

Those students with higher level will play different courses weekly.

## TENNIS or PADDLE TENNIS

### A GENUINE PARADISE FOR RACQUET SPORT LOVERS

«La Reserva Private Club» and « Sotogrande Racquet Centre », located at the Beach Club, offer multiple professional courts and different surfaces for the practice of both sports.

A tennis or paddle tennis coaching system that combines the technical, strategic, physical and mental aspects of the game to ensure that all players reach their highest level of performance. By adapting to the characteristics of each player, we design a bespoke coaching program that accommodates to the needs of each player. An opportunity to build fundamentals, develop and refine their strokes.

# FOOTBALL

A PASSION, A DREAM, COMMITMENT, TEAM

Real Madrid FC oversees the Football Course through which, in addition to enjoying the kind of experience that this great Club can offer, participants will develop all their abilities as they come to realize the importance of integration and values.

There will be different activities applying the formation of the Club, through a sports program that will teach, improve and perfect technical and tactical aspects of the game.

Con la  
colaboración  
With the  
collaboration

## WATER SPORTS

### PADDLE SURF - KAYAK - WAKE BOARD

Sotogrande's climatic conditions are excellent for the practice of sailing: mild temperatures and calm tides.

Learn and try different ways of surfing: Wake-surfing, Wake-boarding, paddle-surf and surf. Our instructors will introduce students into those sports step by step. For those who are willing to improve their style we also have lessons for advanced riders which will push them to the next level!

## HORSE RIDING

FIRST-CLASS FACILITIES FOR EVERY EQUESTRIAN PURSUIT.

In a natural environment that favours horse relaxation and boosts their enjoyment, kids will practice all sorts of horse disciplines with state-of-the-art tracks for jumping and dressage, ropes course, scrubland for raid and hacks.

Lovely surroundings, best Andalusian horses and the great professionals of the renown Equestrian School, «School of Dressage-Sotogrande», for those students who wish to learn or improve their horse riding.

## RUGBY

Our coaching staff are fully qualified and have years of experience in England and Spain, coaching children of all ages and abilities. Rugby is a physical sport and so training revolves around safety aspects concerning tackling and all contact areas.

We will follow the England Rugby Football Union approach to training, which focusses on a gradual introduction to technical areas of the game, such as scrums and lineouts, for each particular age group. If you are new to rugby, give it a go. If you are an experienced player, our coaches will develop your game even further.

# DANCE - FITNESS

## THE BEST WAY TO EXERCISE AND HAVE FUN

Dance fitness classes that are fun, energetic and make you feel amazing. Intensive course aimed at those who have basic knowledge and want to reinforce their technique, as for beginners. They will learn both their choreography, such as compass, the structure, basic steps, body positions...

A total workout, combining all elements of fitness - cardio, muscle conditioning, balance and flexibility and boosted energy. Once the Latin and World rhythms take over, we will initiate students in the rhythm and steps of the Rumba (typical Spanish dance).

## LEARNING LANGUAGES THROUGH ACTION

SPECIALIZED SPANISH AND ENGLISH LESSONS.

With our methodology they will learn new contents and skills that are essential to their personal and social development, as they absorb expressions and vocabulary in another language.

Developing their creativity and imagination and providing a more natural learning environment than the classroom, they will practice another language within a context, in a fun and different way.

Every program, both academic and non-academic, is led by native, bilingual, highly-qualified and professional teachers.

The students will enroll in this course at different levels according to their knowledge of the language and their age.

Language Lessons (2:30 hrs: 16:00 - 18:30 )

# KINDER CAMP Ages 1 - 5

**CHILD CARE  
LANGUAGE & FUN**  
*(Morning Program)*

There is also a place for younger children - ages 1 to 5 - at Talent Academy Sotogrande Camps.

Just for them we have designed a morning program consisting of language and sports lessons and a range of activities, where they will be able to learn and have a great time doing so.

Reading, drawing, arts and crafts, swimming, sports, and a long list of daily activities.

There will be exciting trips to the beach and the countryside, always under the supervision and oversight of teachers specialized in working with children.

Monday - Friday  
Morning Program: (4 hrs: 09:30 - 13:30)

# KIDS "TALENT FACTORY"

Ages 6 - 11

## Sports + Language + Fun

An innovative and revolutionary program based on Emotional Intelligence. Combines an intensive sports course with exciting language lessons where they will learn to discover and express their emotions with a playful and practical methodology, whilst acquiring skills and knowledge that are not always learnt at school.

They will discover how to stimulate their talents through great dynamics and games learning and practicing another language in a fun and different way.

## Morning Program: 2:30 h. SPORTS

Intensive sports course in which all participants specialize in a single sport, allowing them to make significant progress in few days. Students choose one of the following sports every week: Golf, Tennis, Paddle, Soccer (Real Madrid FC), Riding, Rugby, Water Sports or Dance.

## Afternoon Program: 2:30 h. LANGUAGE LESSONS

(Spanish for Foreigners or English Program)

A different way of learning and practising another language.

## ENHANCING THEIR SKILLS, DISCOVERING THEIR EMOTIONS

We will work with the 8 **Multiple Intelligences** promoting and encouraging, through different activities, kids potential while increasing their capacities and skills.

**Word Smart:** Use words to present ideas, express feelings or persuade others.

**Number Smart:** Correct use of numbers, reasoning to offer solutions.

**Body Smart:** Physical activity to express ideas and feelings.

**Picture Smart:** Ability in art and design, interpreting visual images; thinking in 3D.

**Music Smart:** Create and feel a rhythm to express a mood and perform music.

**People Smart:** Good in relationships, sharing others feelings.

**Self Smart:** Self knowledge and confidence.

**Nature Smart:** Understanding and respecting nature.

# KIDS "COOK & CHAT"

Ages 6 - 11

## Sports + Language + Fun

A very complete program for Kids who want to combine their favorite sport with great cooking classes. Through the exciting world of Cooking and the elaboration of different recipes, they will discover and lose the fear of cooking. They will learn the most typical dishes of different countries of the world, whilst they expand their culture and acquire new vocabulary in another language in a different way.

## Morning Program: 2:30 h. SPORTS

Intensive sports course in which all participants specialize in a single sport, allowing them to make significant progress in few days. Students choose one of the following sports every week: Golf, Tennis, Paddle, Soccer (Real Madrid FC), Riding, Rugby, Water Sports, or Dance.

## Afternoon Program: 2:30 h. LANGUAGE LESSONS

(Spanish for Foreigners or English Program)  
A different way of learning and practising another language.

A TASTY PROGRAM WHERE THEY WILL DISCOVER THEIR COOKING TALENT!

Cooking encourages learning; recipes help reading, memorizing, measurements, follow instructions, learn about typical dishes of different representative countries of the world. They will find pleasure in being initiated in the world of cooking, enhancing their diet autonomy and educating their palate, reverberating in better eating habits. Will have great fun and gain culture elaborating new recipes, learning and recognizing world flavors.

They will learn the basic standards of nutrition and healthy diet, the value of helping at home and recognize their ability to cook benefitting from the satisfaction and advantages of doing things for themselves.

- Cooking stimulates learning
- They will enhance their creativity
- Gain self-confidence
- Enjoy practicing another language in a different way

## TEENS "LIVING TALENTS"

Ages 12 - 17

### **A challenge. An experience. ATTITUDE!**

"Living Talents" is an innovative training program, that combines keys and values of sport with a language and training program through **ENTREPRENEURSHIP, MOTIVATION AND LEADERSHIP** techniques . Teens will discover that undertake, motivate and lead is an attitude and a skill that can be learn and train. They will increase their sense of responsibility, they will realise the importance of the "effort culture" and the importance of attitude in life.

We focus in team work, emotional education and practising another language, facilitating their learning in a different and effective way.

### **Morning Program: 2:30 h. SPORTS**

Intensive sports course in which all participants specialize in a single sport, allowing them to make significant progress in few days. Students choose one of the following sports every week: Golf, Tennis, Paddle, Soccer (Real Madrid FC), Riding, Rugby, Water Sports or Fitness Dance.

### **Afternoon Program: 2:30 h. LANGUAGE LESSONS**

**(Spanish for Foreigners or English Program)**

**A different way of learning and practising another language.**

### **Your knowledge defines you. Your attitude determines you.**

We have designed different thematic activities, creating **EXPERIENCES** where they will work over their **ATTITUDE, THE CULTURE OF EFFORT, CREATIVITY AND MOTIVATION.**

### ENTREPRENEURSHIP

**Coaching:** Personal development and growth

**Community Manager:** Correct use and proper management of social networks

### MOTIVATION

**Positive Thinking:** Healthy Living y Mindfullnes

**Cross-Fit y Acrossport:** Motivational and overcoming sport

### LEADERSHIP

**Public Speaking y Body Expression:** Security and confidence in public speaking

**Managment & Responsibility:** Resolution and team work ability

# TEENS "WAKESURF, WAKE UP!"

Ages 12 - 16

## AN ADRENALINE FILLED SUMMER!

Combines sports lessons in the mornings with an afternoon program of intensive Wakeboard and Language lessons through our Leadership and Motivation course where teens will:

- Get started and experience the surfing world
- Gain in self-esteem and confidence.
- Develop personal and social skills.

They will discover that engagement, motivation and leadership, both in sports and life, is an attitude and a skill that can learnt and trained. Acquire the necessary tools to enhance their skills and accept new challenges through great and new experiences and sensations.

Ideal for this age where teenagers seek to release adrenaline, feeling of freedom and new challenges.

### Morning Program: 2:30 h. SPORTS

Intensive sports course in which all participants specialize in a single sport, allowing them to make significant progress in few days.

Students choose one of the following sports every week:

Golf, Tennis, Paddle, Soccer (Real Madrid FC), Riding, Rugby, Water Sports or Fitness Dance.

### Afternoon Program: 2:30 h. LANGUAGE LESSONS

(Spanish for Foreigners or English Program)

A different way of learning and practising another language.

### SURFING AND CONQUERING... THE WORLD

#### Wakeboard Program – Language Lessons (Leadership & Motivation)

One week cleaving and conquering the waves another week learning to achieve their full potential, increasing and improving their vocabulary and fluency when speaking another language.

The aim of the course is to improve the speaking and corporal communication skills to express themselves more clearly and convincingly, acquire greater security in oneself; to review and reinforce their knowledge.

WakeSurf, Wake Up!, an educational program in sports, life and personal values.

## TEENS "CARNÉ MOTO & MICROCOCHE" Ages 15 - 16

Un programa intensivo dirigido a todos los jóvenes de esta edad que quieren practicar su deporte favorito por las mañanas, y aprovechar las tardes para sacarse, en solo 3 semanas, el carné de moto y micro coche.

Tener el carnet AM es la forma perfecta para empezar el verano e ir ganando confianza para más adelante, sacarse el carné de conducir.

Además, todos los alumnos recibirán un curso de formación y seguridad vial donde se concienciarán de la importancia de una conducción responsable.

### Programa Mañana: 2:30 h. DEPORTE

Curso intensivo de deporte en el que todos los alumnos se especializan en un deporte, lo que les permitirá progresar en pocos días. Elegirán uno de los siguientes deportes, pudiendo cambiar de deporte cada semana: Golf, Tenis, Pádel, Fútbol (Real Madrid FC), Hípica, Rugby, Water Sports or Fitness- Baile.

### Programa Tarde: 2:30 h. CARNÉ DE CONDUCIR AM

(Exclusivo para residentes en España)

**Para adquirir, poco a poco, su propia independencia**

### 3 Semanas: Carné de Moto & Microcoche

Bajo un profesorado altamente cualificado de la Autoescuela, los alumnos recibirán clases teóricas y prácticas, todas las tardes, con el fin de sacarse este Permiso que les permitirá conducir ciclomotores de dos y tres ruedas (de una cilindrada de hasta 45cc y a una velocidad máxima de 50km/h), además de los llamados micro coches o coches sin carné.

Estos coches son una alternativa segura para todos aquellos que aún no pueden tener carné de conducir y se han convertido en una gran alternativa a los ciclomotores.

# JUNIOR "STAFF ACADEMY"

Ages 16 - 20

## OFFICIAL LEISURE ACTIVITIES AND FREE TIME BILINGUAL COUNSELLOR COURSE

If you are over 16 years old you can now obtain your Official Certification in only two weeks and become a great counsellor!!!  
The course leads to a widely-recognized "Youth Activities Counsellor" certificate, allowing one to work as a Leisure and Free Time counsellor.

We train young people who wish to dedicate part of their time to working as counsellors at camps and extra-curricular and free time activities. The best way to take advantage of their holidays to keep up training, practicing another language and obtaining a new certification that will give you credits towards university and valuable additions to your resume.

A training experience that is fun, enjoyable and enriching, providing participants with valuable work credentials. Not only do students learn to be good counsellors, but also acquire a sense of responsibility and valuable abilities for their futures.

- ❖ The possibility of completing the theoretical-practice phase necessary for the certification in just a single course. Unlike other courses, our program is carried out in one phase and at one location.
- ❖ Earn credits towards university.
- ❖ Valuable additions to one's resume.
- ❖ Reinforcing and practicing another language.
- ❖ Great employment prospects.

Our courses strike the right balance between the necessary theoretical foundations and the acquisition of practical skills by means of direct experience.

The program includes contents covering children's education, leisure time, group evolutionary psychology, legislation and planning, first aid, sports organization, special education, environmental education, and group games and dynamics.

## JUNIOR "CARNÉ DE CONDUCIR - A1" DRIVING LICENSE - A1 16 - 20 años

### ¡SÁCALE PARTIDO AL VERANO, SÁCATE EL CARNÉ DE CONDUCIR!

Ahora ya con 16 años, te puedes sacar todo en uno, el teórico de coche, moto y microcoche.

Especialmente diseñado para jóvenes que quieren sacarse el carné de conducir pero nunca encuentran el momento.

**Talent Academy - Sotogrande Camps** os da la oportunidad para que este verano, vuestro hijo obtenga el teórico de coche con este innovador Programa. Además de practicar deporte por las mañanas, por las tardes recibirá un curso formativo para realizar el examen teórico del carné de conducir, válido para moto, micro-coche y coche.

### Programa Mañana: 2:30 h. DEPORTE

Curso intensivo de deporte en el que todos los alumnos se especializan en un solo deporte, lo que les permitirá progresar en pocos días. Elegirán uno de los siguientes deportes, pudiendo cambiar de deporte cada semana:

Golf, Tenis, Padel, Fútbol(Real Madrid CF), Hípica, Water Sports o Fitness - Baile.

### Programa Tarde: 2:30 h. CARNÉ DE CONDUCIR A1

**¡La mejor manera de aprovechar el verano y sacarse ya el teórico!**  
(Exclusivo para residentes en España)

#### Tres Semanas:

- Si tienes 16 años y tres meses, no pierdas la oportunidad de sacarte el teórico de conducir. Te servirá tanto para el práctico de moto y microcoche (AM), como para el práctico de coche (B) cuando cumplas 18.
- Si ya tienes 18 años, sólo te quedará aprobar el práctico de coche (B) para arrancar el verano con buen pie.

Bajo el profesorado altamente cualificado de la Autoescuela Europa, los alumnos:

Recibirán clases teóricas presenciales con tests interactivos y vídeo temario.

Realizarán el examen teórico A1 (válido para moto, microcoche y coche) en la DGT de Cádiz/Málaga

## WOMEN Program

### THE PERFECT PLAN.

A five day program exclusively designed so that in a few days you learn and enjoy all those things you would like to do during the year but never find the moment!

Intensive programs, led by the best professionals of the world of Cooking, Health - Fit and Wellness, Coaching in Emotional Intelligence... to renew yourself inside and out while you enjoy the sun, beach and new friends.

#### WELLNESS

Practice exercises, beauty tips and healthy lifestyle habits to get the best results and put them into practice every day.

(Brain & Bottom Gym - Relaxation Techniques - Beauty - Facial Yoga Detox)

#### SENSE & SENSIBILITY

Emotional intelligence determines the ability to perceive, understand and manage our emotions and those of others. You will learn how to align mind, body and spirit, feel more calm, live and enjoy the present, communicate better and manage in another way your personal, family and professional emotions.

#### COOKING & DANCING

For those who want to innovate and enjoy the pleasure of cooking with friends ...Discover great cooking tricks and renew your menus... to surprise this summer!

When dancing is the best way to get in shape... With the best rhythm!!!! An excellent exercise under Latin and Flamenco rhythm ...

And of course...time for walks, sunbathe and relax in a unique surrounding, shopping, lovely restaurants and... a good "mojito" watching sunset!

TRAINING, TRANSFORMATION, FUN in a unique surrounding, first class hotel, private beach club...

The perfect plan!

## ACTIVITIES

### ENDLESS NUMBER OF ACTIVITIES

Our aim is that children enjoy unforgettable days of fun, different activities to develop their creativity and ingenuity, and which will bring them into contact with nature.

We've put together an extensive activity program featuring visits to places of interest of Andalucia. They will take part in water activities, excursions to Tarifa beach, Castellar Zoo and a range of other activities including theatre, karaoke, dance and music.

Students will be supervised at all times during these activities and in their free time by our experienced group leaders.

# OUR TEAM

## PROFESSIONAL AND EXPERIENCED

More than 15 years working together with native, bilingual and highly qualified staff.

Our priority is paying close attention to and ensuring our students' safety. ensuring constant supervision by experienced, carefully trained staff.

Our 1:6 counselor-to-student ratio guarantees safety attention with a deep sense of care and protection to children.

Under the direction of recognized professionals, we assure the smooth operation of all activities and other important educational aspects, such as discipline, friendship and teamwork.

As a Camp of reference within and outside our borders, we count with the collaboration and advice of prestigious sport and educational institutions.

### A GREAT TEAM THE BEST PROFESSIONALS

## INTEGRATION PROGRAM

AN EXAMPLE FOR ALL

Because every child has a special talent.

Aware of the need for and the importance of values as a guide for daily behaviour, we help children in their development by fomenting the integration of students with different capacities.

We work with Real Madrid Foundation to present an athletic and cooperative activity program that serves as an excellent vehicle to instil values like solidarity, equality, tolerance and teamwork.

Sotogrande Camps is the only Camp in Spain that offers an Integration Program and has become the Official Real Madrid CF Integration Campus.
