A GREAT SUMMER FOR THE LITTLE ONES!

"KINDER CAMP"

A morning program for the little ones with a range of activities where they will be able to learn and have a great time. In our setting or at the beach... Reading, drawing, arts and crafts, swimming, sports, and a long list of daily activities and creativity!

Our goal is for our kids to have a great time as they learn and have fun in a safe, cozy and exclusive environment.

KIDS

(Ages 6 - 11)

DISCOVERING THEIR SKILLS,
ENHANCING THEIR EMOTIONS !!

“SKILLS FACTORY PROGRAM”

The more opportunities children have to put their skills into practice, the greater their knowledge. Teaching children basic skills for their age, through everyday activities, is not only fun while practicing them, but also fosters their personal growth and self-confidence.

An unforgettable experience that combines the best of sports with an innovative Bilingual Program, specially designed for them, based on learning and developing fundamental skills to their day to day, that may not always experience at school.

Days full of excitement, fun, surprises and great friends!

AM: INTENSIVE SPORTS COURSE

Students may choose one of the following sports every week: Golf, Tennis, Paddle, Soccer, Riding, Water Sports or Dance.

PM: LANGUAGE & LIFE SKILLS

Practical and dynamic classes where they will learn great skills for their daily lives, discovering everything they are able to do, while learning another language in a fun a different way.

TEENS

(Ages 12 - 16)

AN EXPERIENCE, AN ATTITUDE
AND LOTS OF ABILITIES !

A unique experience for them to keep growing as a person. Different bilingual programs, full of new challenges, great skills, creativity without limits, the best of sport and above all... Ingenuity and large doses of fun!

AM: INTENSIVE SPORTS COURSE

Students may choose one of the following sports every week: Golf, Tennis, Paddle, Soccer, Riding, Water Sports or Dance.

PM: Three Programs to choose :

1. SKILLS IN ACTION

"Power Skills", practical and dynamic lessons at our headquarters and at the beach, where they will learn skills, discover their own potential, overcoming challenges and expanding their vocabulary in another language.

2. WAKE SURF, WAKE UP

One Week:

Intensive Wake & Paddle Surf lessons; technical and practical, from beginner to advanced level.

Another Week: "Power Skills", practical and dynamic lessons at our headquarters and at the beach, where they will learn skills, discover their own potential, overcoming challenges and expanding their vocabulary in another language.

3. INTENSIVE LANGUAGE
